Procurement

WESHAM OIL & GAS SERVICES LIMITED was founded in 1999 as Gasworld Int'l Services which was changed and incorporated in 2006 as Wesham Oil & Gas Services Limited with RC number 667020 to widen the scope of its business operations in the sector. The company board and personnel formation is 100% indigenous. The staff and management of WESHAM is made up of individuals who are determined to grow the company into ranks as a major and leading player in the Oil & Gas and related industries. WESHAM corporate strategy is to pursue growth opportunities, working in partnership with its employees, customers and suppliers to render quality services. The company's sustained growth is further enhanced by an effective quality management system in line with ISO guidelines. In keeping with our primary objectives of providing services to the oil and gas industry in Nigeria and beyond, our company has entered into various exclusive joint ventures, representations, and distributorship agreements with reputable local and foreign engineering, manufacturing/consulting firms and suppliers of Oil and Gas equipment and services. Our business philosophy is to achieve effectiveness by tailoring processes, procedures and resources to specific contract requirements.

PETROLEUM PRODUCTS MARKETING & HAULAGE

WESHAM is a leading Independent oil retailer, with one in every 100 litres of petroleum products being sold or distributed by Wesham marketing division via our retail service stations and industrial customers cutting across different geographical zones in Nigeria.

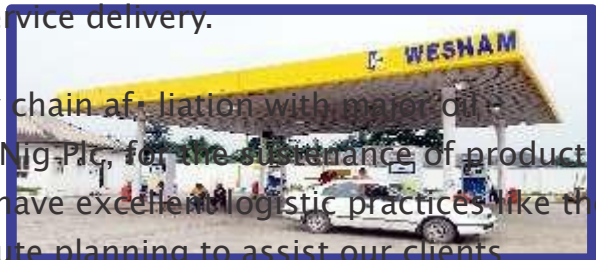

WESHAM Oil & Gas offers a wide range of petroleum products including Premium Motor Spirit (PMS), Automotive

Gas Oil (AGO also known as Diesel), Dual Purpose Kerosene (DPK), Engine oil and Lubricants of various specifications and grades. Our services have been tailored to effectively and efficiently serve our customers better and satisfactorily with quality products and service delivery.

We have an extensive working and supply chain affiliation with major oil marketers, such as **Porte Oil Plc** and **Total Nig Plc**, for the assurance of product supply to our customers. In addition, we have excellent logistic practices like the speedy and just in time delivery and route planning to assist our clients

through the various bottlenecks encountered in transacting swift and reliable businesses in the Oil and Gas industry.
